Age Range: 5 and up

Grade Level: Kindergarten and up

Customer Reviews

This has some cute songs on it. The book is well laid out and I like the kid-themed artwork. I didn't care for the male voice on the disk- I thought there was too much English and too much of him. But it's easy to look past that and enjoy the rest of the CD.

Was a great introduction to Japanese before we traveled there, and the kids were able to share some words with their cousins.
