# Your Executive Image: The Art Of Self-Packaging For Men And Women

## Synopsis

More than a dress-for-success book, Victoria Seitz's *Your Executive Image* shows how body language, etiquette, color psychology, and wardrobe selection all work together to project a certain image. Is your present image the one you want to show the world? If not, you can learn how to change it to your advantage in *Your Executive Image*.

## Customer Reviews

*Your Executive Image* promises to be an exciting new addition to the literature on "self packaging." It is divided into three parts--body language, wardrobe, and etiquette. In writing her comments, I found that Seitz uses standard references such as *Color Me Beautiful* or *Emily Post*. In short, no new material was introduced in *Your Executive Image*. Seitz simply put together three disparate topics, summarized the topics, and published her synopsis.
