French Experience: CD's 1-4 (English And French Edition)

Synopsis

Developed for beginners, The French Experience 1 CDs are designed to accompany The French Experience 1 course book (9780563472568) and can be purchased together in The French Experience 1 Pack (9781406678475) but can also be used on their own to develop your listening and speaking skills. You'll gain valuable insights into French culture too. Authentic dialogues and interviews allow you to hear native French speakers using everyday language, and the activities based on them progress from listening and recognising to speaking and understanding, to gradually develop your conversational French. The French Experience 1 can help you reach the equivalent level of a first qualification, such as GCSE. These four 75-minute CDs are also available in a pack which includes the 288-page course book (9781406678475).

Book Information

Series: French Experience

Audio CD: 4 pages

Publisher: BBC Active (June 24, 2003)

Language: English, French

ISBN-10: 0563472588

ISBN-13: 978-0563472582

Product Dimensions: 6.2 x 0.9 x 7.5 inches

Shipping Weight: 8.5 ounces

Average Customer Review: 3.5 out of 5 stars [See all reviews](#) (2 customer reviews)

Best Sellers Rank: #788,234 in Books (See Top 100 in Books) #41 in [Books > Books on CD > Languages > Language Instruction > French](#) #188163 in [Books > Reference](#)

Customer Reviews

The CDs present a wonderful opportunity to listen to native French speakers. The units are very well integrated with the textbook. The content either introduces and or consolidates what is in the book. One technical feature which is excellent is that one is able to "rewind" within the section, (using pause and slide bar). This means it is not necessary to have to go back to the beginning of the track and play all over again. One minus is that at the end of each track the audio runs on with voice over and this does not allow the student to hear the whole of the script. This is no good because the student could be searching for the correct word/phrase. Admittedly the student could refer to the script in the back of the book but the whole point of having CD s is aural skills. I and my family are delighted however to have this product. Excellent value and presentation.
