Customer Reviews

Crafty Nichole deserves a much larger readership for these stories. Like others have noted, they are

quite funny, witty and free of grammar errors and typos. Also, it's clean humor. Nothing vulgar about it that you wouldn't want your kids to read. Her portrayal of Minecraft characters are believable. Her take on Herobrine is particularly good. I mean, we only see him through entries in Alex's diary, but even then he's actually scary! You really feel bad for Alex and Steve every day they spend with their insufferable "roommate." By the way, I tried to find Book 6 here to review it, but couldn't find it. Book 5 and 6 are both great. The ending to Book 6 would seem to be a turning point (for the worse!) in the relationship between "frenemies" Alex and Steve, even as they continue to battle evil Herobrine. I can't wait for the next installment! Normally, I'm completely aloof to fiction; I almost never even watch TV and it's been a decade since I went to the movies. But I have to admit, I'm hooked on these stories! Thanks for the awesome writing! Keep up the great work!

[SPOILER ALERT] Spoiler alert will end shortly] This is a great book for one holiday that includes candy and costumes, did you guess? It's HALLOWEEN! 0 mistakes as the usual and normal. HOW THE HECK DID HEROBRINE CONTROL A ENDERDRAGON??!! As you are wondering, herobrine is known as a virus, human-expert hacker, monster, or a glitch in the system. Herobrine developed powers to control HOSTILE mobs, not wolves or the neutral mobs, just HOSTILE mobs. I dunno what he really can do but I know controlling an enderdragon will take a lot of his energy. [SPOILER ALERT ENDS] I TOTALLY recommend this book for children 6-11 years old. depends what type of reader you are. BUT READ THE OTHER BOOK FIRST!! YOU'LL GET SUPER CONFUSED IF YOU SKIP ALL THE OTHER BOOKS TO THIS. Thanks for these AWESOME BOOKS! p.s my favorite book is Diary Of A Despawning Endermite. I loved it. PEACE OUT! -Power

Awesome! Well, in the beginning alex and steve got in a fight and there's stupid dumb herobrine (seriously) that take their food, sheep and everything! (how rude) So they went to the end that's where the ender dragon lives. Steve and Alex never made it alive and died and lost all their stuff because if you leave your stuff dropped for 5 minutes it despawns. coolshinwon07--

Herobrine is a little scumbag. Also, can you go check my review on book two, it has a suggestion. Or, just throw a potion of healing 50,000,000,000, because herobrine is notches' dead brother and potions of healing harm undead things. five stars on the book, but can you please make the two skeletons free for a bit? I lost my kindle for a bit, so I wasn't able to get it for free, and I'm only able to get free things, and skeletons are my favorite mob. It would mean a lot :) spark sign off

I am going to try to do the loyal reviewers. I love these books. They are so awesome! SPOILERS
The end was a great idea for this series. Now a have a song "Yankee Herobrine went to town riding
on an enderdragon, stuck a helmet on his head and killed Steve and Alex." This was your best book
yet.

Your minecraft books are really good especially diary of an angry Alex!! like these books because
they are filled with action and feelings.I recommend telling all my friends about these awesome
books!(Ash1847swag) =)

I really like your books, Crafty Nichole! Now, I don't want to spoil the story for people, so I will just
say that herobrine will be riding on a ender dragon and Alex keeps respaning herself or steve or
both of them.
