Customer Reviews

Great book about the best football franchise in th game. I wish they would have celebrated the GB v bears rivalry. But a great book. Keep in mind it is never too young to start training the kinds to be fans.

My husband and I are huge Packers fans. I bought this for our child that is due this fall. The book is better than I expected. I love the graphics. The only issue was one corner was slightly beaten up during shipping. That being said, I still give it 5 stars because the book is beautiful. I can't wait to read it to our child.

Absolutely adorable book. Perfect for little Packers fans! Does a good job at teaching the ABC's as well as commonly used football terms. Liked the "real" pictures rather than illustrations. Love it!

Awesome condition great pictures for children and wonderful details about Greenbay and football

I love this book and bought it for my brand new grandson. Such a precious book to pass along a love learning the alphabet and the love of the Green Bay Packers!

Very cute book; however, the reading level is more for elementary aged kids. I guess I expected it to be a little more basic.

Excellent birthday gift! Love seeing my friend and her daughter reading this book! Her daughter looks at it all the time!

Our daughter-in-law is a big Packers fan - she was thrilled to have this for our grandson! Adorable and very current!
