Taxes & Business Strategy (5th Edition)

Synopsis

For MBA students and graduates embarking on careers in investment banking, corporate finance, strategy consulting, money management, or venture capital. Through integration with traditional MBA topics, *Taxes and Business Strategy*, Fifth Edition provides a framework for understanding how taxes affect decision-making, asset prices, equilibrium returns, and the financial and operational structure of firms.

Teaching and Learning Experience This program presents a better teaching and learning experience for you:

- Use a text from an active author team: All 5 authors actively teach the tax and business strategy course and provide you with relevant examples from both classroom and real-world consulting experience.
- Learn the practical uses for business strategy: Learn important concepts that can be applied to your life.
- Reinforce learning by using in-depth analysis: Analysis and explanatory material help you understand, think about, and retain information.

Customer Reviews

I'm only 50 pages in and have already developed two corporate tax savings plans based on data in the book.

Excellent content, however the book paper is so thin you can see the printing on the page underneath or on the backside- which I find very distracting. I prefer paper you can't see thru.

Excellent book, I will always use Books for all my educational needs.
