Walter The Waltzing Worm - CD

Synopsis

Hap Palmer's engaging songs increase children's vocabulary skills while developing basic movement skills. Vocabulary is from five areas: body parts, actions, space, qualities, and relationships.

Customer Reviews

All children should be exposed often to opportunities to dance. This CD and all of Hap Palmer's invite children of all ages from 1 to 92 to dance and laugh. You, Hap Palmer, are truly a gift to all of us.

This is the 2nd time I have purchased this CD - I wore out the first one. Just love it for preschoolers!!

All of my grand children were introduced to this song Oh What A Miracle as toddlers. I remember them clapping their hands and singing Oh What a Mickle. So, I decided to use with prekg and kindergarten when I substitute teach. I use it for singing and movement.

We heard a few of the songs in a class and my 1 year old loves it. I've never seen her dance around

and bounce to the music like she did with the "Oh what a miracle" song. The song about Walter the Waltzing worm is cute too. We had the kids act it out with yarn.
