Customer Reviews

I find this book, Starting a Nonprofit, very informative. This book will surely give the proper info for anyone who would like to venture on this undertaking. It has so many how-tos that will eventually educate anyone. Like how to write a thorough and proper Conflict of Interest policy, how to craft the bylaws correctly to run your nonprofit organization smoothly, how to file your IRS Form 1023 to make sure you stay out of trouble, and a lot more. I think this book will go an extra mile in educating and assisting anyone who would like to start on his own nonprofit organization.

Quite impressive book as the author here made clear explanation on how we can start a non-profit organization and make it successful. There are different kind of non-profit categories that we can aim for. This guide has 10 powerful steps which leads to a successful venture. Jerry has described how to choose the non-profit type, how to name it, write statements, choose board of directors, launch it, run it, stay out of any problem and many more!! was planning to start my own non-profit organization along with my friends. This book will help us to get things ahead and we can move with our plan next! Liked it, thanks to the author :)

The most comprehensive book of "starting a Nonprofit organization" I've ever come across with. This book is well written and very informative. The author made it easy to understand and discussed every detail well. This is a complete guide in starting your very own Nonprofit organization. Everything you need to know is in this book.

Starting your own organization may be challenging and difficult at first. But presenting the right intentions and goals, you will surely make it through. This book helps us how to establish your own nonprofit organization in a step-by-step manner, first is how to create your vision and mission statement, how to choose the type of your organization, how to name it, how to choose the leaders in the org and many others.

I have been wondering how Non-Profit Organizations function, it's a good thing that Authors like Jerry Kershen provides a simple way to guide and enlighten people who has the passion and eagerness to provide a helping hand by dedicating themselves by building these NPO's. It's a simply written book that everyone will understand and treasure since this is quite a book that consists of every detail that will help you put up the organization.

This book is informative and supportive. By the help of this book I have learned some effective strategies about nonprofit startup. Inside of this book I have found 10 proven steps to creating my 1st nonprofit organization. This book motivated me and showed the right path to achieve my goal. By the help of this book I have learned about how to choose my board of directors. This book also taught me about how to write a thorough and proper conflict of interest policy. I am glad to read this book and this book helped me a lot. I appreciate the writer's honest approach to teach us about this topic.

This book will help you in creating your own Non-Profit Organization. You will be able to know the do's and don'ts. This 10 proven steps in creating a non-profit organization. Creating your own websites and having your own advertisements. This is all starts straight from the heart because you will be able to have your organization from scratch and without earnings.

Starting a non profit project is a very tasking job, it requires a deep rooted mission and commission to effectively set a tax through to the end for the sole reason to help others. This is a very motivating piece relaying a lot of help on non profit project, this is just a right guide to starting up and handling all with caution and dedication.
