We all know that Minecraft is an application that anybody would enjoy. Minecraft is a past time for many that use your imagination to build different characters, buildings, and others. This book will help you improve your imagination and will help you as you use Minecraft. This book also contains tips and list of items that you can find in the blacksmith's chest, and it also gives you a bird's eye view map of each seed. Enjoy as you explore what Minecraft can offer.â €

Alright, I'll admit that I do have a slight addiction to Minecraft! And this book certainly fulfilled my cravings! 25 great Minecraft PE seeds are shared within this book, I can't really ask for more considering the small price this book costs. The book is very clear and easy to understand whilst talking about the various different seeds. Also, I love the fact that there's actually pictures included in this book! I'm a very visual person so I love images, especially images of Minecraft! Highly recommend to any of those secret Minecraft addicts out there.

This book teaches the basics in playing the well-known game that is Minecraft. Reading this book I found the basic setup of the game, Minecraft and instructive explanation of the strategies of playing the game. You will learn all the secrete rules and tricks from this book. Minecraft is a one of a kind famous and revolutionary game. I highly recommended this book.

This is a very interesting book about learning insider techniques of Minecraft Game. With the help of this book, now I enjoy playing the game instead of spending time searching what I should do next.

Being a total beginner to Minecraft, I found this book extremely helpful. I will use the book as more of a manual, going back to it for help again and again as I become better at the game.
