Our daughter loves all the school zone workbooks we have gotten her. She thinks they are fun and likes the colorful pages .She didn't have any educational cds so we came across this workbook and cd combo. She and her sister gives it a thumbs up :)

Great books and the CDs are great too. Love the CDs. The books are colorful and educational and my granddaughter loves to play the educational games on the CDs.

This is a great book for Kindergarteners. We gave it to a friend because it is a nice book, but too young for my first grader.
