# Plan Your Estate

## Synopsis

Protect your family with solid estate planning. Estate planning sounds difficult, but most people just need a few basic documents. Let *Plan Your Estate* show you how to protect your loved ones from legal hassles and financial uncertainty after your death. For more than 20 years, this book has explained estate planning in plain English, including: wills, avoiding probate, living trusts, bypass (AB) trusts, naming guardians for children, leaving property to children, estate, gift, and inheritance taxes, strategies for business owners, leaving property to charity, health care directives, and financial powers of attorney. The 13th edition of *Plan Your Estate* is completely updated to reflect the latest federal and state laws. Applies in all U.S. states except Louisiana.

## Customer Reviews

Great book for reference while working with an estate planning attorney. Helps to ask the right questions and understand the finished documents.

very helpful in preparing my husband and I before seeing an attorney to write our first wills. Plus, it made us aware of what we need to look at in the future.

Great information - everyone should read it - great ideas!!
