## **Customer Reviews**

My 10 year old granddaughter loves these books. She reads more than ever when she gets these books. I'm very happy with that.

Great artwork, fun to read.

These comics never fail to impress. They somehow manage to keep the heart of the show alive in every volume. From the art style to the humor. It's all there, and it's all good.

A great sequel to the other Adventure Time's books in great colors. Nice quality of paper. My son loves this series.

I personally found it worth getting, also love the author notes on the bottom of most pages.
