The Small Business Owner's Guide To Taxation: Income, Payroll, Sales, Excise, And Use Taxes Explained

Synopsis

What are endlessly complicated, yet critical for small business owners to understand in order to succeed? You guessed it: taxes. Anyone starting a business may make themselves liable for numerous taxes, licenses, and other administrative and compliance obligations. In addition to helping you stay in the good graces of government agencies, a solid understanding of the tax and compliance landscape will also help you how to minimize your tax liability and keep more of your hard-earned money. This guide gives an overview of the different kinds of taxes newly-minted entrepreneurs and owners of growing small businesses need to be aware of. It offers you real-life examples to help you connect the information to your business.
