Customer Reviews

I totally loved this unique book by one of my favorite Kindle authors! I'm usually really cynical when rating stuff, but when it comes to Crafty Nichole I give five stars every time. I noticed that she only

has one "Awesome Reviewer" so I'm going to try to review as many books as I can. This one was particularly good in the sense of not being what you would expect. I imagined that Bun-Bun (I couldn't stop laughing over that name) was a mean and vicious Killer Bunny who would stop at nothing to eat all the villagers' animals and I really didn't see the zombie trick coming! Please make more books like this!

this book is so awesome!!! i just think bun-bun will be so adorable. i like your books a lot just please make a angry alex book10. this book is soooooooooo interesting! maybe he figures out that the witch in book2 has a bunny, not a killer one but a plain one she is trying to put a powerful potion on. maybe not the best idea. then steve and alex tries to save it? it may not be the best idea but it might work.p.s this is my moms account.p.p.s i hope you will think about this idea

I was looking for a good book by Crafty Nicole when I found this. I saw the second book and decided to read the first book. It was a good one! This is a book where you should try to make a long series like Diary of an Angry Alex. I am looking forward to it. Thank You!-----Dude89

Crafty nichole, U R awesome. Thank you for writing this book! So everybody thinks that his bunny is the one doing havoc. But the bunny kills the real culprit and saves the day so bye joowon

This is probably one of my favorite series... serieses... what what? Ok, one of my favorite series (plural) of yours! I just love BUN BUN! And I want a book two of this RIGHT NOW! Of course, I like the angry Alex series more, but this is my second favorite. So please, make a book two for this!

i love this story and i wish my minecraft would stop saying that i cant tame cats and bunnys and plus can you please make a book about a really really really bored steve or a really really really angry steve

This book is so good! It is one of her best series! I recommend this book series to everyone!!!! This is definitely one of her
