## Synopsis

A dark presence seems to flicker around And Alex Feels Strange . . Alex has been noticing weird things going on around her farm and Steve has too. Steve asks her to help build new houses in the village since she is better at building design than he is, but Alex declines. Zombies and creepers attack the village and there is nothing but chaos. Steve fights them off and asks Alex to help again; she's still not interested. Steve gets into an argument with Alex and they begin to fight by throwing snowballs at each other. Alex accidentally throws an egg and something pops out . . With all this happening, a mysterious dark presence still exists. What is it? And what popped out of the egg? ## Customer Reviews

The world of Minecraft is a strange world of which I know little though enough to pretty thoroughly enjoy this odd story of Minecraft Alex's Diary excerpts detailing her love of her three pet pigs, Rosy, Posey and Nosey, of fighting the Creepers and assisting her friend Steve to build a church for the villagers. This is a world of snow and igloos and gardens and flowers, where pumpkins grow and ripen in days, chicks emerge from eggs and likewise grow up almost overnight. Suspend all reality and just enter and enjoy. Katrina Y.

My 10 and 12 year old children read this book and really enjoyed it. The first thing I was asked when they finished the book was "Are there any more Minecraft Alex books?". "They were awesome though parts of it weren't entirely realistic to Minecraft. It was really cool, I hope there are more!" - 10 yr old daughter "They were awesome. You'd probably really like them if you like the Diary of a Minecraft Zombie books. Probably also if you like the Diary of a Minecraft Steve or Zombie Steve. I can't wait for more!" - 12 yr old son
