Customer Reviews

The music is very good, but for some reason I didn't notice before I bought it that it was all rap (and similar). That aside, the rhythm is catchy and I really like a few of the songs. My favorite songs were (song #5) days of the week (song #10) months of the year.

I was disappointed with this CD. Neither I nor my two year old daughter enjoy the songs. She does not seem to be learning any Spanish because the words in the songs are spoken too fast for her to understand and no translation in English occurs during the songs. The details stating the CD is for all ages was very misleading. The CD is definately for older children who already have learned Spanish and use the songs for review. Also, the CD only had eleven songs. I found other Spanish CDs more enjoyable for less money with many more songs.
