Customer Reviews

Beautiful recipe cards and nice music. I'm not sure why people are rating the sellers here. These reviews are for the item itself.

Loved the music and recipes for my Tuscany dinner party

For some reason, I purchase this and I receive dining and the opera I Manhattan. This is why I do not like it and low rating. Can not figure why if listed, I can't get the right one.

I was so excited to order this product as I love cooking the foods of Tuscany and wanted this as a wedding gift for a friend. I have never received it and with no apparent explanation from anyone. Would still like it but will take a refund. I am very disappointed.

The order was correct. The confirmation e-mail I received had the right item listed. The shipping

confirmation also had the right item. But when I opened the box to wrap the gift, it was not "A Villa in Tuscany." Instead, it was "Opera in New York" Too late to exchange it in time for Christmas. So I gave what I had. The recipient said she liked it. Maybe she did. Maybe not. Maybe she was just being polite. I'll be sure to open boxes as soon as they arrive in the future.
