Emmitt Smith: In The Huddle With...

Synopsis

The star running back of the NFL. The All-Star center leading his team to the championship. Matt Christopher delves into the life of both of these sports stars, exploring the paths they have traveled, the hardships they have overcome, and the highs and lows of their careers. Each book contains exciting black-and-white action photos, the player's stats, and a list of his career highlights. Real-life sports action plus Matt Christopher's easy-to-read style equals a series not to be missed.

Customer Reviews

Emmitt Smith loved football from the time he was a baby. He would play and sometimes be too big to be able to play. In high school, he was a star running back but he had a time where he fumbled a lot. After he went into the NFL draft, the Cowboys, unlike many other teams, thought even though Emmitt didn't have very much speed, he could still be a really good running back. So the Cowboys were able to pick him as the 21st player picked. He became a star and led the Cowboys to three Superbowl victories and won four rushing titles for himself. It is a good book because it tells you about him at every time of his life.

I recommend this book because when I started this book once I read the first page I didn't want to

stop when I was done the book I was a little upset because it was over and that's why I think you should read this book.

I like all the book because of the details. Another thing is the words are pretty easy to read. I had a great experience reading the book.

The book I am reviewing is *On the Field with... Emmitt Smith* written by Matt Christopher. I give this book five stars. This book is about a person who loves to play football. A problem in this story is Emmitt Smith breaks his hamstring. Emmitt Smith played running back for the Dallas Cowboys. I'd recommend this book to a friend. Other books written by Matt Christopher are *On the Field... with Terrell Davis* and *On the Court with... Shaquille O'Neal*. This book is awesome! Emerson, NJ Fifth Grade

Great book/ Very well written/ Enjoyed by myself AND my grandson/ RECOMMEND

So much info you have to read it!wertggbhhhhuug h h b b b b b b b. B b
