# Colloquial Japanese: The Complete Course For Beginners (Colloquial Series)

## Synopsis

Colloquial Japanese provides a step-by-step course in Japanese as it is written and spoken today. This new edition has been completely rewritten by experienced teachers; it combines an accessible approach with a thorough treatment of the language, equipping learners with the essential skills needed to communicate confidently and effectively in Japanese in a broad range of situations. No prior knowledge of the language is required. Key features include: progressive coverage of speaking, listening, reading and writing skills jargon-free explanations of grammar, with key structures presented through user-friendly diagrams Coverage of the different writing systems of Japanese: hiragana, katakana and kanji an extensive range of focused and stimulating exercises realistic and entertaining dialogues covering a broad variety of scenarios useful vocabulary lists throughout the text additional resources available at the back of the book, including a full answer key, a grammar summary, a verb/adjective list with conjugation aid, bilingual glossaries and English translations of dialogues Balanced, comprehensive and rewarding, Colloquial Japanese will be an indispensable resource both for independent learners and for students taking courses in Japanese. Supplementary exercise sheets for hiragana, katakana and kanji and two additional units are available for free download at <http://www.routledge.com/books/details/9780415593304/> The units cover more advanced features of Japanese and incorporate a wide assortment of supporting exercises. Accompanying audio material is available to purchase separately on two CDs or in MP3 format, or comes included in the great value Colloquial Japanese pack. Recorded by native speakers, the audio complements the book and will help enhance learners' listening and speaking skills. By the end of this course, you will be at Level B1 of the Common European Framework for Languages and at the Intermediate-Mid on the ACTFL proficiency scales. Course components: The complete course comprises the book and audio materials. These are available to purchase separately in paperback, ebook, CD and MP3 format. The paperback and CDs can also be purchased together in the great-value Colloquials pack. ISBN-13: 978-0415593304

Product Dimensions: 1 x 5.5 x 8.2 inches

Shipping Weight: 13.4 ounces (View shipping rates and policies)

Average Customer Review: 5.0 out of 5 stars (See all reviews) (1 customer review)

Best Sellers Rank: #2,093,748 in Books (See Top 100 in Books) #80 in Books > Children's Books > Education & Reference > Foreign Language Learning > Japanese #523 in Books > Textbooks > Humanities > Foreign Languages > Japanese #778 in Books > Textbooks > Communication & Journalism > Speech

## Customer Reviews

I started to learn Japanese using the Clarke's and Hamamura's colloquial book. It's unquestionably great, especially due to the fact, that it starts to teach you essential Japanese script right from the start. It uses even the correct stroke order of the hiragana, katakana and kanji. Despite the fact that I have some language learning experiences (e.g. I am also fluent in Finnish), I did find the Clarke's approach a little to difficult for the absolute beginner. That is way I ordered Ogawa's text. After passing the first month learning experience using this book, I can assure you, that it uses much friendlier approach. I've just completed second unit with no difficulties at all. It's not a bad idea that it builds the scripture gradually - at the end of each unit, first familiarise you with hiragana, later with katakana and in late units also with quite appropriate amount of kanji. As you progress, you come across the dialoges, written in Japanese script and I already have a strong feeling that you can feel yourself much more confident reading and using the script in later units. So I can recommend this book for the absolute beginner like myself. Thank you for reading this review and have fun with learning beautiful and interesting Japanese language!
